3. Features/benefits of OSAKA Kaiyu Ticket

- 1) You can go directly through automatic ticket gates for your entry. You don't have to wait in a long line to purchase an entry ticket to Kaiyukan (Needs authorization near exit for re-entry).
Note: The ticket does not offer priority access to the aquarium. When crowded, we may ask you to wait in a line like other visitors and follow the instructions given by our staffs.
- 2) By show your ticket, you get:
 - 10 % discount on "Captain Line" (shuttle ship which runs between Kaiyukan and Universal City Port).
 - "Santa Maria" (cruise ship): Day cruise: 1,000 yen for adult (save 600 yen), 500 yen for elementary school child (save 300 yen).
 - Discount coupons for meal/shopping/amusement at Tempozan Market Place. (Please ask at the Information near the aquarium entrance gate.)
 - 10 % discount on your meal at "Seaside Restaurant White Deck" of Hotel Seagull Tempozan Osaka, located within walking distance of Kaiyukan.
 - Tempozan Giant Ferris Wheel: 700 yen (save 100 yen, 3 years old and above).
 - Discount at over 28 sightseeing spots in Osaka City and Osaka Port area, including Osaka Castle, Umeda Sky Building (Floating Garden Observatory), Tennoji Zoo and more.

Additional notes:

- 1) The payment should be made by CASH ONLY. Credit card is not acceptable.
- 2) The ticket does not offer priority access to Kaiyukan. When crowded, we may ask you to wait in a line like other visitors and follow the instructions given by our staffs.
- 3) The OSAKA Kaiyu Ticket is available for adult (age 16 or over) and elementary school child (age 7 to 12) only. For a junior high school student of age 13-15, we would recommend paying individually for the train and entry to the aquarium since it is more money-saving than purchasing the Kaiyu ticket for adult. For example, Osaka Kaiyu ticket "Osaka City version" is 2,550 yen for adult. If you purchase (1) "Enjoy Eco Card," a one-day all-you-can-ride ticket for Osaka City subways, new tram, and buses, at 800 yen (or 600 yen on weekends and holidays) and 2) aquarium ticket at 1,200, that makes 2,000 yen in total.
- 4) Kaiyukan will be closed on January 17th and 18th, 2018, and February 7th and 8th, 2018.
